

## THE LENOVO® IDEAPAD® TABLET P1

SWITCH FROM WORK TO PLAY.

ON THE GO.

The stylish IdeaPad Tablet P1 is optimized for productivity and leisure, combining the power of a PC and the entertainment of a tablet.

The 10.1" IdeaPad® Tablet P1 is a full-function pad, equipped with the power and performance of Intel® Inside and the flexibility of Genuine Windows® 7 Home Premium. The multi-touch display works equally well with your fingertips or with the optional stylus pen; so now you can be more productive with Office documents, or get creative with photos while on the move. So forget typing! Jot down notes in your own handwriting using the stylus pen. Hard-pressed for time? Print your docs straight from the pad. And with the built-in Lenovo App Manager you can instantly switch from productivity to entertainment apps; play those addictive mobile games, watch a movie, send a quick doodle over IM, or simply browse the web with full support for Flash.
